Sub Privilege Motion

Honorable Sir,

This is to inform that

I happened to visit the Shumshar festival on 16/6/14. On my way back on 18<sup>th</sup> found the lower tunnel opened, vehicles were crossing from both sides. A retired General's entry was awaited. I being an elected representative for the 4<sup>th</sup> time tried to avail the opportunity of crossing the tunnel, whereas I

was denied entry, and  
was told by one Zahid of NHA  
that I can't cross until  
I am given a permission by  
a Director named Hameed, NHA  
Tried Hameed's No he didn't  
attend my No. Called his  
office and told them to contact  
Director Hameed and ask  
him to call back at my given  
No. which he did not do,  
I felt really humiliated, Hence  
this motion.

Thank you  
yours faithfully.
