Passed Notice No 1173

NOTICE OF A RESOLUTION.

I hereby intent to move the following resolution in the Provincial Assembly of Khyber Pakhtunkhwa in the current session of the Assembly,-

RESOLUTION.

This Assembly calls upon the Federal Government to take immediate steps for the merger of Federally Administered Tribal Areas (FATA) into the province of Khyber Pakhtunkhwa by bringing necessary constitutional amendments and such other enactments as required on the popular demand of the people of FATA and Khyber Pakhtunkhwa.

This Assembly also agrees upon bringing consequential territorial changes and altering its limits in view of any such legislative instruments as required under clause (4) of Article 239 of the Constitution of the Islamic Republic of Pakistan due to inclusion of FATA, as defined in Article 246(c), into the Khyber Pakhtunkhwa Province.

This Assembly is also of the opinion that further delay in the merger of FATA into Khyber Pakhtunkhwa is detrimental to the larger interests of the Federation and common cause of the people of FATA and the Khyber Pakhtunkhwa.
