

The Secretary,
Provincial Assembly of Khyber Pakhtunkhwa.

Session 7th
No 84
Date 1/7/2019
Department E/S/ Education

NOTICE OF ADJOURNMENT MOTION.

I hereby give notice of the following adjournment motion for the current session of the Assembly,-

"ADJOURNMENT MOTION

I move to adjourn routine business of the Assembly for discussing a definite matter of urgent public importance which relates to the inadequate number of school for the children in the Province. As between 73 and 77 percent of children are forced to leave their schooling after completing primary education due to a shortage of high schools which indicates that only one out of five children who enter the schooling system in Khyber Pakhtunkhwa is able to complete matriculation. The numbers of those who are able to finish intermediate and higher degrees are likely to be even lower. There are at least 1.8 million children out of school in Khyber Pakhtunkhwa today. This means that the Khyber Pakhtunkhwa schooling system does not have a capacity to absorb more children. Therefore, the motion may be admitted for detail discussion."
