call attention

I would like to bring your attention to a very important matter. I am facing continuous problems and unrest in my constituency due to Dotari tribe, which are settled in Loni mostly (PK99). These people are migrants, and they too come from different areas and are captured the heads of my people who are settled in Loni. There has been a lot of bloodshed. I will be glad if some solution can be drawn from this situation, and DC and Commissioners should police forces should take notice of it.
