MOST URGENT/OUT TODAY/13342-45.

No. Legis: 1(20)2012

Peshawar,
Dated the 27-02-2018

To

The Secretary,
Government of Khyber Pakhtunkhwa,
Zakat, Social Welfare, Special Education and
Women Empowerment Department.

Subject: **Draft Khyber Pakhtunkhwa (Rights, Rehabilitation and Empowerment of Persons with Disability) Act, 2018.**

Dear Sir,

I am directed to refer to your letter No. SO-VI(SWD)/1-34/PCRDP/3817-19, dated 23-02-2018 on the subject noted above and to state that Law Department has the following observations on the subject draft Bill, namely:

- 92-
- (i) that the term "barrier" and "impairment" have not been used in the body of the draft Bill, hence needs no definition;
 - (ii) that the assessment committee defined in the draft Bill is an important committee however, it is merely defined but there is no detailed provisions in the body of the draft regarding its composition and functions etc.;
 - (iii) that the definition clause needs to be revisited in light of section 2 of the existing law so as to make the definition of "organization" and "disability" more comprehensive;
 - (iv) that the word "organization" as defined in the draft Bill also includes a Government Department which need not be mentioned as Government Departments have already fixed a quota for disabled persons;
 - (v) that it is not clear as to who will nominate the representative of the Khyber Pakhtunkhwa Chamber of Commerce. Moreover, no term has been fixed for which the representatives of the organizations working for the welfare of disabled persons will be nominated. Furthermore, whether representatives of the organization ibid and the Khyber Pakhtunkhwa Chamber of Commerce can resign or be removed before completion of their term. Similarly what will be the procedure if a vacancy occurs in the Council due to death, removal or resignation of the non-official members. It is therefore, suggested that the

composition of the Provincial Council needs to be revisited accordingly;

- (vi) that the role and responsibilities of the Secretary of the Council be mentioned in the draft Bill;
- (vii) that it is not necessary that the representatives of the organizations working for the welfare of the disabled persons should be disabled as indicated in the composition of the Council in section 3 of the draft Bill;
- (viii) that the functions of the Council be elaborately explained in the draft Bill so as to give it a proactive role regarding rehabilitation, treatment and welfare of the disabled persons;
- (ix) that clause (v) of section 4 of the draft Bill needs clarification;
- (x) that clause (ii) of section 4 of the draft Bill also needs clarification as to what kind of CBOs and services will be monitored by the Council;
- (xi) that the meeting procedure be elaborated so as to provide for the person who will preside over the meetings, the mode of decision making and procedure when there is a tie;
- (xii) that the procedure for registration of persons with disabilities be explained in detail so as to cover every aspect of registration and also the procedure in case a person already registered as disabled becomes no more a disabled person;
- (xiii) that sub-section (2) of section 8 of the draft Bill needs clarification;
- (xiv) that there is no provision in the draft Bill for stop-gap arrangements, which may result in a vacuum when the Bill is passed as an Act as the previous law will stand repealed and with that the existing Council will no more be able to function. It is therefore, suggested that in the draft Bill a provision may be inserted to allow the existing setup to function till the new Council is constituted and becomes functional;
- (xv) that it is not clear as to who will impose the penalty under section 14 of the draft Bill;
- (xvi) that there should be a provision regarding establishment of training centers for the disabled persons in the draft Bill on the analogy of the existing law; and
- (xvii) that whether the Council will be an autonomous entity or otherwise, if it be meant to be autonomous then the same may be clearly mentioned

in the draft Bill.

2. The Administrative Department, is therefore, advised to reconsider the draft Bill in light of the observations mentioned above.
