No. 15262-66/DPPO
Dated Peshawar the 5/8/2016

The Commandant Frontier Constabulary,
FC HQ, Peshawar.

Subject: Illegal Occupation of GGHS Suliman Khel Peshawar.

Reference is made to captioned subject as the issue is repeatedly discussed at District Steering Committee Meetings and Provincial Steering Committee Meetings at District / Provincial level putting question mark on the performance of the District Administration. The school building was illegally occupied by Frontier Constabulary Peshawar in January 2016.

Location of the school is sensitive from enrollment point of view and under public demand it is requested that the said building may be vacated and handed over to District Education Officer (Female) Peshawar for restoring educational activities in the school. Education is of paramount importance and the present Government is very much focused to functionalize non-functional schools & to discourage any such illegal occupations.

Early cooperation is expected at your end please.
