Department Elementary and Secondary Education

Call attention notice no. 1805

Given by: Ms. Samar Haroon Bilour, MPA

I would like to draw the attention of the Minister for Elementary & Secondary Education that in Shahb ud din High School there is no maths teacher for grade 9-10 who are facing their board Exams, with the DMC Art Teacher teaching the girls. This is creating a bit of tension in the parents and need to be urgently resolved as to why a school in inner walled city with 1000 plus strength of student is being treated like this.
