### Question 3: Details of Implementing Partners of the Secondary Health Care:

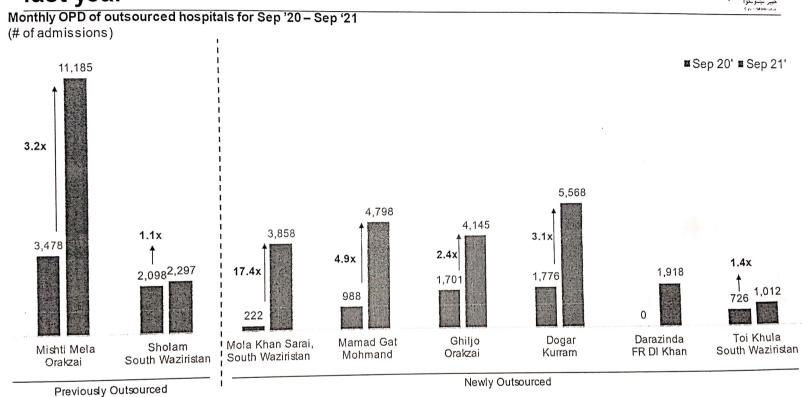

**Answer:** Secondary Health Care facilities have only been approved by DG Health and consequently by Board of Governors, KPHF. Whereas the procurement /tendering process yet to be initiated, so the detail of IPs can be declared once procurement process has been completed.

## Question 4: What is the performance of already outsourced hospitals through Public-Private-Partnership?

Answer: There are a significant difference between the before outsourcing and after outsourcing conditions of 8 hospitals which are located at far-long merged area. However, these hospitals were established but there were no services provided to a single person of local community. The initiative was taken in the best public interest and the huge difference can be seen in the results which are shown in below graphs:
