Scope

This policy will be implemented in Government schools on need basis. The second shifts will be established in Government school buildings for all levels, namely:

Sr. #	School Building	Second Shift can be for
1	Primary	Primary, Middle
2	Middle	Middle, High
3	High	High, Higher Secondary
4	Higher Secondary	Higher Secondary

Objective of the Intervention

The aim of the intervention is to:

- **Reduce overcrowding in existing government schools** through initiation of double shifts for the same level of schooling (i.e. Primary in Primary schools, Middle in Middle schools, High in High schools and Higher Secondary in Higher Secondary levels in the second shift); and/or
- **Create school spaces of higher level schooling** where there exist no schools of higher level in the close vicinity of the concerned school (i.e. Middle level in Primary schools, High level in middle schools and Higher Secondary in High schools).

Eligibility Criteria for Double Shift Schools

The Criteria for selection of Government schools for Double Shift Schools Program will be as follows:

Yard Stick for assessing overcrowding

- The school must be overcrowded by at least 60 or more students in total. For example, if there are a total of 200 student spaces in a school and enrolment is 260 students or more, then this school will be considered as overcrowded;
- The school must have all basic facilities which must be functional;
- The second shift may be started only for those classes where minimum student strength of the second shift class is 20 and for the same class in the first shift the enrolled students are not less than 40; and
- At least twenty students shall be required for a class in the Double Shift. Students shifting from morning shift will not count towards the benchmark of 20 students. If the students' dropout increases and the number falls below the benchmark of 20 students, then those students may be shifted to the morning shift in the same school or the nearest school as the case may be.

Yard Stick for assessing need for higher level schools

- Middle school can be started in second shift in a Primary school provided there is no middle school within the radius of 3 KM in case the second shift is for boys and 1.5 KM in case the second shift is for girls;
- High school can be started in second shift in a Middle school provided there is no High school within the radius of 5 KM in case the second shift is for boys and 2 KM in case the second shift is for girls;
- Higher Secondary school can be started in second shift in a High school provided there is no Higher Secondary school within the radius of 5 KM in case the second shift is for boys and 2 KM in case the second shift is for girls;
- The school shall have all basic facilities and shall be functional; and
- The school shall have the required number of classrooms and allied facilities.

The Selection Committee while selecting schools for Double Shift may also consider factors like law and order situation in the area, transportation/accessibility and availability of basic facilities etc.

Selection Committee

A Selection Committee comprising of the following seven members shall be notified. The Committee shall be responsible for selection of schools and according approval to the number of teachers/ staff that may be engaged under the Double Shift Program:

- | | |
|--|------------------|
| ▪ Minister E&SED | Chairman |
| ▪ Special Secretary E&SED | Member |
| ▪ Director E&SE | Member |
| ▪ Director ESRU | Member/Secretary |
| ▪ Addl: Secretary Finance Department | Member |
| ▪ Director EMA | Member |
| ▪ District Education Officer (concerned) | Member |

Modalities for Teachers' Engagement

For engaging teachers/staff for second shift, either one or both of the following models can be adopted on need basis:

- Engaging existing Government teachers/staff on payment of second shift stipend; or
- Where teachers from Government schools are not available for Second Shift, engaging teachers from the open market on part time basis through PTCs on payment of stipend.

The staff of Second Shift shall consist of government head teacher/principal, school teachers and supporting staff. The teachers/ staff will provide their services in the second shift school after the completion of the first shift. If there is a shortage of teachers in existing schools, then teachers of

nearby schools may be engaged and if no public sector teacher is available then teachers may be engaged from open market through PTCs as a last resort.

The teachers to be engaged through PTCs from open market shall be only on part time basis and shall not be considered for regularization in any case. Specimen of 'Offer of Engagement' is at **Annexure-A**.

The Head Master/Principal concerned shall be responsible for identification and engagement of suitable teachers for Double Shift Program from within the existing Government teachers/staff.

Where no teacher from a Government school is available for Second Shift, teacher may be engaged through PTC from open market through following procedure:

- The PTC concerned will announce the position in local community (social media, mosques, handouts, public notices etc.) and invite applications;
- The Principal/ Head Master concerned (being secretary/member of the PTC) will shortlist potential candidates using the qualification criteria;
- PTC will interview and engage best candidate from within the shortlisted candidates through signing of "Offer of Engagement" duly witnessed by two members of the PTC.

Qualifications for Teachers Engagement from Open Market

The qualification of teacher(s) to be engaged from open market by the PTC(s) shall be as follows:

- **For Primary Schools:** At least 2nd class BA/BSc or equivalent as the case may be.
- **For Middle Schools:** At least 2nd class Master Degree/BS (Hons 4 years) or equivalent as the case may be.
- **For High & Higher Secondary Schools:** At least 2nd class Masters in relevant subject.

Second Shift Stipend Rates

The following stipend rates shall be applicable to both existing Government teachers/staff as well as teachers engaged on part time basis through PTCs from the open market:

Sr.#	Level/ Nature	Stipend Rate Per Month
Stipend for Existing Teachers and Principals/Head Masters		
1	For Primary Level Teachers and Head Teacher (Classes 1-5)	Rs. 12,000 (Fixed)
2	For Middle Level Teachers and Head Masters (Classes 6-8)	Rs. 15,000 (Fixed)

4	For Higher Secondary Level Teachers & Principals (Classes 11-12)	Rs. 20,000 (Fixed)
Stipend for Existing Ministerial Staff		
1	For Clerical Staff	Rs. 7,000 (Fixed)
2	For Class IV employees	Rs. 5,000 (Fixed)
Stipend for PTC engaged Teachers from the Open Market		
1	For Primary Level Schools (Classes 1-5)	Rs. 12,000 (Fixed)

2	For Middle Level Schools (Classes 6-8)	Rs. 15,000 (Fixed)
3	For High Level Schools (Classes 9-10)	Rs. 18,000 (Fixed)
4	For Higher Secondary Level Schools (Classes 11-12)	Rs. 20,000 (Fixed)

The monthly stipend shall not be paid to teachers/staff hired for DSS Program during summer, winter, spring and other vacations notified by the government.

Double Shift Schools Timing

The school timing for Double Shift Schools Program shall be notified by Directorate of Elementary and Secondary Education Khyber Pakhtunkhwa from time to time. The Directorate shall re adjust/manage the school timing of 1st shift in Double Shift schools in such a manner that time frame for second shift may not be affected.

The Head Master/Principal concerned shall be responsible for adjusting classes of teachers in 1st Shift in a school in such a manner that they may not face any issue of mobility to another school and feel well prepared for 2nd Shift classes.

Budgeting, Reporting and Payment Responsibilities

Drawing and Disbursing Officers (DDOs) concerned shall be responsible for budgeting, payments, accounting, reconciliation, financial reporting etc. of the DSS Program within their districts/sub divisions/schools as the case may be.

Monitoring

Physical Monitoring

Physical monitoring of Double Shift Schools shall be the joint responsibility of the DEOs/DDOs and the Education Monitoring Authority who shall include monitoring of Double Shift Schools in their regular monitoring schedules.

Financial Monitoring

Internal Audit Cell of the E&SED shall include assessment of internal controls and financial audit of the Double Shift Schools Program on a sample basis in its annual internal audit plan and present its findings along with recommendations to the Principal Accounting Officer (Secretary of E&SED) for timely corrective action.
