### **STATEMENT OF OBJECTS AND REASONS**

It is necessary to make the system of Zakat and Ushr in the Province more efficient and transparent by use of Zakat Management Information System of the Department.

Furthermore the selection criteria regarding appointment of persons to the Zakat and Ushr Council, District Committees and Local Committees needs to be reviewed and changed with the objective to appoint most suitable persons to such bodies.

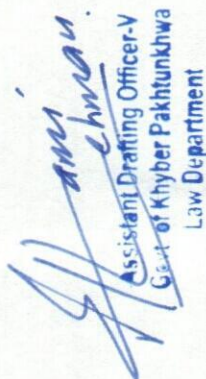

It is also felt to provide for establishment of a fund where monies other than Zakat and Ushr receipts can be deposited, as such monies cannot legally form part of the Zakat Fund, consisting of Zakat and Ushr which is collected on the basis of nisab as provided in the Holy Quran, while for atiyat and sadaqat or other charitable monies other than Zakat no nisab has been prescribed and hence no limit may be specified for such monies. This would enable the Zakat and Ushr Council and the Department to utilize the money in Philanthropic Contributions Fund on the marginalized segments of the society.

The Bill seeks to achieve the above mentioned objective.
