

CALL ATTENTION

I beg to invite the attention of the Minister Health to a matter of urgent public importance regarding non-provision of House Jobs to MBBS doctors. Mr. Speaker! Government Hospitals do not offer house jobs to students who have done their MBBS from foreign or private medical colleges. The Government Hospitals only allow their own students House Jobs. Sir! Mardan Medical Complex is the major Hospital of the District, which provides House Jobs to only fifty (50) students of Bacha Khan Medical College and rest of the students of other medical colleges are deprived of it, which is causing grave concerns amongst them.
