Call Attention Notice No. 307

Mr. Asif Khan Member Provincial Assembly Khyber Pakhtunkhwa

I would like to draw the attention of Minister for Elementary & Secondary Education towards the affairs of Education Department that in South Waziristan (upper), during current SSC exams, the students were sitting on the floors for their examination. Education & Health are the main focus of this present government then what may be the reason that merged areas are treated as if we belong to some alien planet. I also request the House to draw comparison between the funds spent on other districts like Mardan, Swat, Swabi, Nowshera and Peshawar in the past five (5) years. Merged area shall also have the right in the funds meant for the whole province in Education Department.
