WHEREAS, in an era marked by rapid advancements in artificial intelligence and information technology, connectivity and access to essential services are critical for social and economic development;

WHEREAS, the residents of Upper South Waziristan continue to face severe hardships due to the lack of basic infrastructure, including electricity, gas, and most importantly, DSL connections, 3G & 4G mobile network, internet coverage and telephone lines.

WHEREAS, this deficiency severely affects daily life and communication, causing significant difficulties, especially for families with members living overseas who rely heavily on these services to stay connected;

THEREFORE, be it resolved that the Provincial Assembly of Khyber Pakhtunkhwa urges the Provincial Government to formally recommend to the Federal Government the immediate and urgent implementation of functional internet, mobile network coverage, and other essential services in Upper South Waziristan to improve the quality of life, promote connectivity, and support sustainable development in the region.
