

Resolution;

This August House notes that under Section 13(2) of the Khyber Pakhtunkhwa Police Act, 2017, the Forensic Science Laboratory is recognized as a functional branch of the police establishment. However, the absence of an effective and operational forensic laboratory has created serious challenges for criminal investigations and timely justice.

Therefore, this House recommends that:

1. A functional and operational Forensic Science Laboratory be established without delay.
2. The laboratory be equipped with modern technology and qualified experts.
3. Regional sub-laboratories be set up to ensure timely and transparent examination of evidence.

Amina Sardas,
Passed per majority
in suspension of
rules.
