Legislative Intent:-

3. Mr. Abdul Akram, Additional Secretary, Higher Education Department, informed the Committee that ETEA was established in 1998 through an executive order, primarily to conduct entry tests for students seeking admission in engineering and medical institutions. Later on, it was regulated through an ordinance in 2001. The proposed Bill, aims to introduce reforms in line with modern requirements, incorporate emerging technologies such as Artificial Intelligence and Cyber Systems, and further enhance transparency and efficiency. He added that, over the time, the scope of work of ETEA has undergone significant changes. In particular, with the assignment of the responsibility of conducting screening tests for recruitment in public sector departments, the nature of its functions has substantially evolved. The challenges currently being faced by the Agency necessitate appropriate legal cover.

4. Mr. Yasir Imran, Director (ETE A), briefed the Committee, that the Board of Governors of ETEA has, from time to time, issued directions on various matters, which require corresponding amendments in the ETEA Ordinance. He added that broaden the jurisdiction of the Khyber Pakhtunkhwa ETEA beyond its existing jurisdiction, so that Federal Government, other Provincial Government and other public or private entities may also be able to engage services of ETEA. He also stated that ETEA is a government-owned entity that provides its services without any commercial inclination. However, taxation authorities, such as the Excise and Taxation Department, the Federal Board of Revenue (FBR), and Khyber Pakhtunkhwa Public Procurement Regulatory Authority (KPPRA), treat it as a profit-generating commercial entity and impose taxes applicable to commercial businesses.

5. The Committee considered the Bill clause by clause and the following amendments were made by the Committee in its meeting held on 20th April, 2026.

- (1) In the Khyber Pakhtunkhwa Educational Testing and Evaluation Agency Bill, 2026, in clause 2, in para (a) for the figure "2025", the figure "2026" may be substituted:

(2) In clause 2, in para (s) after the word "a", the words and comma "computer based test;" may be added;
