

Call Attention Notice under Rule 52 A of The Rules, 1988

Mr. Speaker,

With your permission I would like to draw the attention of the Minister of the department concerned to a matter of urgent public importance which is as per print and electronic media the mortality rate was very high in LRH as compared to KTH and HMC. In the earlier days, this province has recorded 435 deaths from the pandemic and more than 300 of these have occurred in Peshawar based hospitals mostly in LRH where 185 have succumbed in factious illness which has been in the limelight owing to more fatalities due to the virus and subsequent resignations by senior faculty members and closure of wards due to infections to staff.

The Minister concerned may explain the reasons and causes of such high fatalities, deaths of the Covid-19 patients occurred in LRH and tell whether any inquiry has been conducted in this regard.

Thanks

Khush Dil Khan Advocate,
MPA PK-70 Peshawar-V
