Notice No. 1698

Received Dated 12/04/2021

Admitted Dated 15/04/2021

Department Higher Education

توجہ دلاؤ نوٹس نمبر 1698

منجانب: خوشدل خان ایڈوکیٹ رکن صوبائی اسمبلی

I Would like to draw the attention of the Minister for Higher Education towards a very imparted issue The University of Agriculture, D.I . Khan was established and name was incorporated in schedule-1 of the Khyber Pakhtunkhwa universities Act, 2012 through an amendment by the Act of 2018 of provincial Assembly namely " The Khyber Pakhtunkhwa universities (Amendment) Act, 2018 while classes formally started by October, 2019 in rented building . It was offering Bachelor of Studies (BS) programs in five disciplines including Forestry, Agriculture , Zoology, Botany and Mathematics . The university also offers three years diploma programs in veterinary and animal sciences but unfortunately till now the provincial and federal government have not bothered to release funds for the development functioning of the university it has been running through the fees of students and each student paid fee around Rs. 25000/-per semester to the university that was utilized by administration to meet the expenditures on the other hand , the faculty members of university have been getting salaries less than the minimum wage fixed by the provincial government for the unskilled labour in the province for the two year s having M Phil Degrees in their respective subjects had been getting Rs.15000/- per month since 2019 while the provincial government fixed Rs. 17500/- per month as minimum wage for unskilled labour. It is demanded from the provincial government to take serious view of the financial crises of the university and resolve it by managing and releasing the funds to the university in view of their declared education emergency and reforms in the educational sector and redress the financial constrains of the employees of the university and brought their status /position at par with the employees of other universities in view of Articles 25and 38of the Constitution, 1973.
