

Session 10th

No 828

Date 20-11-2019

Department Environment

Call Attention No.828

Ms. Shagufta Malak, Member Provincial Assembly

I would like to draw the attention of Minister for Environment a very important issue that our beautiful and clean Peshawar city has been declared the world second most polluted city in the WHO report as well as world economic forum report the serious environmental problem due to the smoke and dust produced by the chip Board particle Board and MDF industries has become an Environment hazard hayatabad in industrial Estate and surroundings residential areas of Peshawar not only is Extremely harmful for health also for the poor Labour and staff working in these industries in order to overcome this alarming situation concern Environmental department may kindly be advised to probe in to the matter and directive issue to the responsible industrial units to stop such polluted units or shift them to out side the residential areas to avoide more health server damages.
