Honble Speaker Sir,

There were left-over funds in different NCS/VCS of Peshawar and so in PK 71. I requested AD local Govt for tendering these funds in the best public interest and let me identify the sites being the only elected representative of the constituency upon the expiry of the tenure of local bodies. On 17-03-21 AD local Govt has tendered schemes worth more money than disclosed to me. Thus ignored my genuine request & deprived me of site identification which is a clear breach of my privilege. So my motion be sent to the Privilege Committee for punitive measures.
