Mr Speaker Sir,

Many times I had discussed with TMO Town 4 Mr Ihsanullah. As for the new schemes & recent releases, it was my right to identify and TMO had assured that he'll include my identified schemes but I came to know that he (Ex TMO) has tendered & identified schemes either by himself OR his favoured & unelected people.

Thus he lied to me and concealed

Truth on purpose.

So he has breached not only my privilege but that of the whole house -

So I request that my privilege motion be sent to the privilege committee for proposing for appropriate punishment for the Ex TMO, Town 4.

*Sir*
